Wonderful Highlights and Praise Reports!

Greetings in the Mighty name of Jesus,

This Camp Meeting was a great success! God moved so powerfully! Many people were touched during this meeting. Hundreds of people showed up. People came from all over the globe to attend this meeting. People traveled from places such as Norway, Florida, North Dakota, Nevada, New Jersey, Kansas, Kentucky, Iowa, Wisconsin, Indiana, Illinois, South Dakota, South Carolina, Missouri, Wyoming and so on. To God be the glory for the souls He has brought together in worship.

God sent an overflow! People jam packed the building, and some were listening and receiving from their cars! It got to the point where we had to relocate the meeting to the Holiday Inn ballroom. God used His two anointed servants, Apostle Ronald Ssali and Katie Souza to enrich a multitude of souls with the gospel of Jesus Christ. Masses of people gathered at the altar to worship the Almighty God. People cried out to God in desperation for His glorious presence. Both the young and old desired to draw close to God. It was such a blessing to witness this harvest of souls for Christ. It was unbelievable! All who attended and watched the live online streaming were blessed! The Lord Jesus is preparing us for His

return. For it says in Romans 8:1, *“There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit.”* The move of God throughout this world is strengthening as His kingdom draws near. It is time for the Church to wake up and spread the gospel like never before! God is continuing to release prosperity without hindrance!

Yours in Christ,
Apostle Ronald Ssali

Mighty Miracles!

Throughout the three days of the meeting an abundance of miracles took place. Eyes that were once blind now see and deaf ears now hear! God healed people from poor heart conditions, knee problems, and emotional

wounds. There was a woman that had approximately fourteen surgical procedures done on her eyes due to doctors diagnosing her vision as poor. Doctors told her that she may one day lose all of her vision. She became so

ecstatic after God healed her. Also, there was a man that had a vision of an angel named Manifest. In this vision, he perceived that the angel stood behind Katie Souza and was releasing a financial blessing.

Powerful Praise Reports

"The Freedom Holy Ghost Summer Camp Meeting was amazing!" -Mary

"This meeting was wonderful! I got to worship the Lord in a peaceful environment. I saw many souls experience the presence of God, and it blessed my heart. Even after the meetings many people desired to stay in God's presence." - Gina

"It was very marvelous! The anointing of God was so mighty and on the last day of the meeting the power of God came down so strong. I even saw gold dust on Katie's shirt! Katie expanded on a lesson that Apostle Ssali recently taught me. The teaching was that before you fight the enemy you got to do a forty day fast and that you got to start battling the enemy from the top and not from the bottom. For example, you start off by attacking the King (stronghold) that's behind the spirits. It's easier to take out the little demons after eliminating their source (stronghold)." - Marguerite

"It was fantastic! I learned a lot about God, how to draw closer to Him, how to grow in the things of the spirit and on maturing in Christ. The meeting was a great experience and I can't wait until our next one, because every time Apostle Ssali holds a conference I learn more and more about God. I also got to fellowship with the youth. It encourages me when I hear other youth talk about their walk with the Lord. I want to encourage everyone that is reading this to come and enjoy our marvelous upcoming youth camp that will be held August 3-7th."

-Mike

"God released a mighty harvest of souls to come and receive the Word. The people were really hungry for the presence of God. It was so crowded that people sat in their cars, on the carpet, and in the heat to listen to the Word of God. There was an overflow of increase to the point where we had to rent a hotel ballroom to hold the last night of the camp in." - Didi
