Powerful Praise Reports

We give God praise for our basketball team the P.E.M Warriors. The young men are on fire, even as they pray before each practice; the Lord must be glorified. The teams go out to witness every week, winning souls as they plant seeds of God's word in the lives of the non-believers!

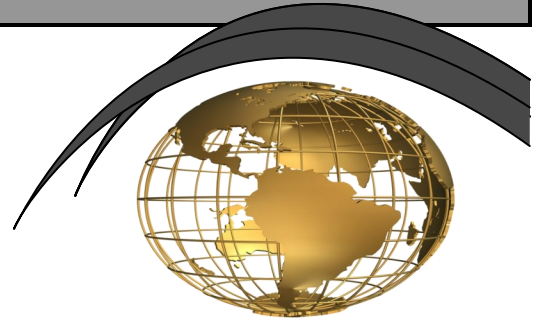

We have received numerous praise reports from people who God has given jobs. Many of them were out of employment for a long time, but after prayer their situation changed. Bills have been supernaturally paid off. A woman testified that her house was in foreclosure and she asked Apostle Ssali for prayer. A mighty miracle happened in her life after; she has no payments on her home for the next two years! Another woman testified that she was HIV positive but after prayer from Apostle Ssali, she is HIV negative with a medical report stating she is HIV negative. She rejoices because God has blessed her with a husband and a beautiful baby !

Power Evangelism Ministries

Highlights of Revivals

Issued: November 2010

The revival has been going on for five years and continues strong. Thousands have received Jesus Christ despite strong opposition from witchcraft and voodoo . Many people have been delivered from voodoo powers and encountered God's creative miracles. The dead have been raised, HIV and cancer victims have been healed and set free. A woman was delivered from a rat embedded in her belly. She is now living rodent free and healthy for God's glory. Medical reports are pouring in from people who God has healed from terminal illnesses. The Holy Spirit has changed the lives of many who were involved in gangs and prostitution. They are now saved and serving the Lord! The crime rate has dropped tremendously . This is not a work of man but of the Holy Spirit. Hundreds gather weekly to worship at Power Evangelism Ministries, thanking God for what He has done!

We were grateful to have Steve Brock come minister at the revival in October. He preached a powerful word on God's love and grace, manifested through Jesus Christ. The people were touched and healed

mightily during the services. Pastor Jim Cernero also ministered at the revival with worship and a powerful word about the glory of God made manifest in our lives. Many people were touched, healed and delivered at these services. Katie Souza also joined us as she ministered in the Healing Conference with Apostle Ssali. Where miraculous healings took place. We were blessed to have Apostle Robert Henderson, who shared on the wisdom of alignment; being aligned spiritually is a prerequisite to encountering the unstoppable flow of God's blessings. These men and women of God joined Apostle Ronald Ssali in ministering during these powerful revival services. To God be the glory! God's hand is not short that it cannot save. Faith has to be released for the manifestations that will bring glory to God. We are believing God to touch more souls in 2011.

Matthew 4:22-24 (King James Version)

22 And they immediately left the ship and their father, and followed Him.

23 And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of disease among the people.

24 And His fame went throughout all Syria: and they brought unto Him all sick people that were taken with divers diseases and torments, and those which were possessed with devils, and those which were lunatic, and those that had the palsy; and He healed them.
