4th Year Holy Ghost Revival Anniversary Celebration

We just celebrated our 4th Year Anniversary of Miracles, Signs, & God's Power in Delray Beach and the surrounding cities of South Florida. We have received so many testimonies of healings from incurable diseases and deliverances from dark powers. Apostle Ronald Ssali held the first Miracle Crusade in Delray Beach, on August of 2006, with the intention of hosting for only three days. But God had a better plan and the crusade has been ongoing for four years and counting.

During the celebration, many people were healed and set free. Worship was very intense! People came to worship the Lord in Spirit and in Truth and received their deliverance. The Youth also participated in a Comedic skit called "Road to Repentance" about the life of average adolescents, showing that Jesus is the only true way out of physical and emotional bondage.

We were also honored to have with us special guest, Pastor Jim Cernero, who has worked with Pastor Benny Hinn serving as Associate Pastor and Music Director for the past 22 years. The Holy Spirit flowed as God spoke through him a powerful word and a prophetic declaration was released over the ministry. Our choir also had the privilege of ministering with him in worship. It was a miraculous event to which God deserves ALL the glory!

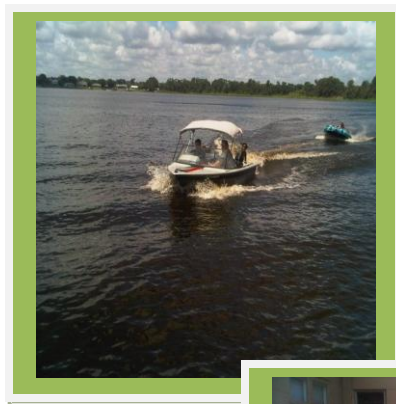

Youth Camp Explosion '10

Youth Camp 2010 at Camp Sparta was absolutely amazing!! Practically all the Youth of Power Evangelism Ministries came to Camp Sparta and experienced the manifest presence of God. Many were delivered and set free from demonic oppression and emotional bondage.

The Daily Schedule at Youth Camp 2010 consisted of many activities that encouraged spiritual growth. Morning Glory was one of the earliest activities which began at 5:00 am.

The Youth came and sacrificed their sleep to come pray, worship, and seek God. The daily workshops, which gave the Youth advice on how to create *and* maintain a relationship with God and people, were also a source of spiritual and emotional nourishment to the Youth and these teachings are available for order to help your youth at home.

Through these workshops, the Youth learned how to function in God's will, not their own. From football to waterskiing, the Youth also had an awesome time playing the camp games and participating in camp sports. They were separated into four teams: Team Blue, Team Green, Team Red, and Team Yellow. These four teams competed in activities such as relay races and cheer-offs. There was also a bond fire for the teams. It was such a tremendous experience that no youth that attended will ever forget!

Testimonies

Miracles, Signs & Wonders

Danette - I went to the Annual Holy Ghost Revival January last year and it was very powerful. Worship was so deep and I felt God's presence in the building. I sowed a seed on the 8th day of the crusade, so that I would be debt free and my car would be paid off. When I went back home and couple months later someone paid off my car in full! To God be the Glory! For He is a miracle working God!

Irlene - In January I experienced a lot of peace and joy in my life. I was stressed out about things that were going on in my life, but since this miraculous crusade I am stress free and I have faith that God can solve all my problems. I also learned how not to depend on anybody or myself, but to depend on the Lord.

Jeff - I've been sowing and praying for a breakthrough. God has answered my prayers and opened a great door for me. I received four scholarships and financial aid for college. My whole college tuition was paid off in full, in the amount of \$26, 200. Also every month the money that I don't use for my books or classes I will receive the remaining amount in the mail. I've been asking God to give me seed to pay my pledge for the youth center, God gave me the seed in September and I paid off my pledge. I give God all the praise for the glorious things He has done in my life.

Isaac - This precious one year old boy was ran over by a two ton vehicle. He was rushed to a trauma hospital via helicopter due to its urgency. He had tire marks on his abdomen. His father called Apostle Ssali crying and afraid. Apostle Ssali reassured him that in the name of Jesus, everything would be okay and prayed with him over the phone. Thanks to God's miracle working power, baby Isaac is living, walking and screaming for Jesus in church!

* A woman testified that she was attacked by witchcraft/ voodoo power and suddenly became very ill. This attack changed her skin complexion from light skinned to very dark skinned. She called the ministry prayer line and asked for prayer. Apostle Ssali said that all would be well in Jesus name and prayed for her. She now is back in church; her skin tone is restored back to the original complexion and now she is dancing for Lord and giving Him praise for this powerful restoration in her life. To God be the glory!

*A RAT CAME OUT OF A WOMAN * After many trips to medical doctors and Voodoo priests in an attempt to treat her ailment, she found no answer or remedy. Doctors didn't know what was wrong with her. When she came to one of Apostle Ssali's Holy Ghost meetings in Delray Beach, FL God miraculously delivered and set her free! "It was a lengthy struggle, looking for ways in the world," she expressed. "I tried so many avenues to help with my health condition, but the answer came only from Jesus. Glory to God! She has now renounced Voodoo and accepted Christ. - **Marie A**
